Horizon Behavioral Health provides mental health support services. Therapy can help individuals achieve and maintain stability through counseling, training, etc.

It is an opportunity to make life-altering changes, members learn to incorporate self-evaluation, healthy coping skills, physical activity, relaxation and creativity into their lives. Goal setting and achievement are an integral part of the structure, allowing success on a daily basis. Pegasus provides a priceless opportunity to break through a lifetime of maladaptive behaviors. There is hope.
