AARP Health Advocacy Services established the "Divided We Fail Speakers Bureau" to take the AARP message to communities across the state. Focusing on long-term health care and financial security. Contact the office for more information regarding this service.

Visit <u>Why You May Need a Health Advocate</u>. At times, individuals may need a helpful friend, relative, or professional at their side. A Health Advocate may charge a fee.

Visit the website for information about Medicare and insurance, health care reform, fitness, longevity, drugs and supplements, alternative medicine, and medical research. AARP generally serves adults who are 50 years or older.
