Home Health Compare is a website run by the Centers for Medicare and Medicare Services that offer consumers and health care providers up-to-date quality information on home health agencies via the Internet or 1-800-MEDICARE.

Viewers can obtain information on home health agencies by state, city, county or zip code. Visit [Home Health Compare](#) to begin your search. Information is updated quarterly. Comparisons of quality measures for individual home health agencies are provided, along with comparisons to state and national averages. The service is free. A hard copy of the Home Health Compare information can be obtained by calling 1-800-MEDICARE.
