Administrative office of Prince William Health System which operates Prince William Hospital, a Wellness Center, Nursing home, Assisted living facilities, fitness center and medical center in Gainesville and workplace health.

The main campus in Manassas, VA, is home to a 170-bed, acute care hospital, behavioral health facility and fitness and wellness centers. Located a short distance from the hospital is Caton Merchant House, an assisted living facility.

The main campus is complemented by additional outpatient services in Gainesville, Haymarket, South Riding and Woodbridge. These locations include Novant Medical Group physician practices, imaging, The Cancer Center at Lake Manassas, lab and rehabilitation.

In early 2014, we'll be opening a new 60-bed community hospital in Haymarket
