Bridges (formerly Bridges Senior Care Solutions) offers guardianship and conservatorship services and alternatives to guardianship and conservatorship services. In addition to health care decisions, the financial team is able to assist with daily money management, strategic investments, and long-term financial planning.

If money is available, a grant from the Virginia Department of Aging makes it possible to provide services to indigent and near indigent clients. Serves Northern, Central, Northwestern and Northern Neck of Virginia.

Visit the website for the steps to obtain a Public Guardian in Virginia.
