Volunteers are a vital resource to our Senior Connections, our community, and especially to those older adults who are in the greatest need or have feelings of social isolation. Our agency provides volunteer opportunities for all ages and we are most appreciative of their dedicated service. As representatives of Senior Connections, volunteers provide support services to older adults and community organizations.

Volunteer opportunities include VICAP, Money Management, Friendship Cafe, Office Assistance, and Telebridges. Also, learn more about our Retired and Senior Volunteer Program and Foster Grandparents.

Our programs offer both personal rewards and also fulfill a needed service. Volunteers receive training in communication, mediation, and conflict resolution plus travel reimbursement for local travel associated with volunteer activity.

Senior Connections welcomes monetary donations to help support ongoing programming.
