LifeBridge Counseling was established to offer a variety of therapeutic interventions by licensed and skilled providers of mental health and substance abuse services. We provide a warm, welcoming environment where members of our community can receive confidential, quality, client-centered therapeutic services to meet the many numerous emotional and behavioral struggles they may face. We work closely with

referral sources and other providers to allow for the most comprehensive and valuable service provision.

Our providers specialize in working with people of all ages by providing specific, individualized treatment services that are evidence-based, guided by research, and driven by the goal of positive health and well-being.

Types of counseling available are individual counseling; couples and marital counseling; and family counseling. Specialized services available include play-based therapies; psychosexual evaluations and treatment; trauma-focused cognitive behavioral therapy; substance abuse evaluations and treatment and applied behavioral analysis (ABA) therapy.
