Generations Central Adult Day Center provides engaging programming for senior adults who may be frail, isolated, living with cognitive impairments or other age-related disabilities and are in need of socialization and/or supervision.

Daytime care is offered Monday through Friday. Center Participants engage in therapeutic activities, community groups and presentations, intergenerational opportunities and more. Staff provide supervision, personal care support, medication management and assistance with ADLs (Activities of Daily Living) as needed. A meal and two snacks are served daily.
