This agency is dedicated to persons who suffer from post-traumatic stress disorder (PTSD) and other related traumatic stress syndromes, those at risk for stress disorders and those who care for traumatized individuals. Support is offered to the individual through e-mail, phone, pen pal support network and written materials. The agency develops and disseminates educational material, including videotapes, articles, books and a resource catalog. Also maintained is a roster of survivors who are willing to participate in an international network of peer support. Catalog available for products. Proceeds from the sale of materials will be dedicated to the support of stress-related disorders. All donations are tax-deductible. A \$200 donation or more automatically puts the donor as a member of the Band of Angels.
