Information Resource Center (IRC) provides the public, people living with blood-related cancer, families and health professionals accurate, up-to-date, disease related information and related information and referral services. IRC Information Specialists are nurses, social workers and health educators.

You can speak one-on-one with an Information Specialist who can assist you through cancer treatment, financial and social challenges and give accurate, up-to-date disease, treatment, and support information. Information Specialists are master's level oncology social workers, nurses and health educators. Please call 1-800-955-4572 or email infocenter@lls.org.
