Lynchburg Community Action Partnership's (Lyn-CAG) Home Improvement Program provides home and safety improvements for low-income homeowners who reside in the city of Lynchburg. Programs include:

Indoor Plumbing/Rehabilitation (IPR): The IPR program provides indoor plumbing and substantial rehabilitation to home of low-income homeowners who are without indoor plumbing or are in need of upgrading. The program serves homeowners who reside in Amherst, Appomattox, Bedford or Campbell counties.

- Water/Waste Water

Lyn-CAG serves as the information intake and referral agency for the Central Virginia area for this program. Upon completion of the paperwork and verification of eligibility, the actual work for this program is conducted by The Southeast Rural Community Assistance Project. For more program information go to www.sercap.org

- Housing Rehabilitation installs wells, septic systems, bathrooms based on the needs of the eligible dwelling. Also rehabilitates the dwelling according to the Section 8 Housing Quality Standard and local building codes. Additional bedrooms are built if there is an overcrowding problem and handicapped accessibility measures are installed as needed.
