DCRCC is here to help survivors of rape, no matter how recent or long ago the trauma occurred. Please call 202.470.1188 to schedule an intake with our intake coordinator and find out more about our free individual and group therapy.

If you have just been assaulted, you have options and there are resources to support you. The MOST important thing is to take care of yourself. There is no right or wrong way to feel after being assaulted. [FAQ](#) online has more information.

DC Rape Crisis Center offers educational, customized Workshops for EVERY audience including middle, high, college and university students; school staff/faculty; parents; LGBTQ community members, shelter residents, church congregations, service providers, law enforcement and military personnel. The Center can build a training program for your audience.
