The Geriatric Evaluation and Treatment (GET) Clinic helps individuals over the age of 65 cope with challenges of daily living and health maintenance. Core staff members include physicians trained in geriatrics, internal medicine, family medicine and psychiatry, as well as social workers, psychologists and nurses. All have special training and experience in treating geriatric conditions.

Services available are:

Medical Evaluation and Treatment

Psychiatric Evaluation and Treatment

Social Evaluation and Counseling

Level of Care Consultation

Primary Care

Appointments are made by physician referral only. The physician can call 919-620-4070 between 8 AM and 4:30 PM Monday through Friday.
