Westminster at Lake Ridge offers short stay rehabilitation services, including recuperative care, following a planned surgery or an acute hospitalization. The 60 suite Nursing Center is Medicare certified. This program is open to the public.

Services consist of several therapies. Physical Therapy focuses on improving mobility and balance; increasing strength, flexibility and endurance; relieving pain; and improving wound healing. Occupational Therapy focuses on increasing independence in activities of daily living. Speech Language Therapy provides treatment for communication disorders.

Infrared light therapy is available for treatment of wounds, diabetic ulcers, and more.
