Kissito Healthcare The Brian Center Botetourt offers rehabilitation services for a variety of medical conditions including fractures, stroke, joint replacement, and surgery. Services include physical therapy, occupational therapy, speech/language pathology, outpatient therapy, and respiratory therapy services. A personalized care plan is tailored to meet each resident's individual needs.

Unlike many area facilities, at Kissito Healthcare we offer physical, occupational and speech therapy up to seven days a week, for up to three hours a day, as ordered by the resident's physician. As part of an integrated treatment program, these advanced therapeutic services address a wide range of orthopedic, neurological and other disabilities, diseases and conditions, including:

- Joint replacement
- Neuro-muscular diseases
- Cardiac conditions
- Traumatic brain injury
- Spinal cord injury
- Stroke
- Dysphagia
- Fractures
- Post-surgical complications
- Diabetes complications
- Amputation
