Veterans Benefit Group of Goodman Allen Donnelly was established to help veterans and their families obtain the disability, educational and housing benefits to which they are entitled. The team of attorneys has the experience and ability to identify if there were deficiencies in the initial claim and provide legal counsel and assistance to obtain the necessary evidence and information to more effectively support a claim on appeal.

The practice represents veterans in the United States and all over the world in their cases before the U.S. Court of Appeals for Veterans Claims, U.S. Court of Appeals for the Federal Circuit, and at all levels of the Department of Veterans Affairs, to include the Board of Veterans Appeals and VA regional offices.
