Spotsylvania Regional Medical Center (SRMC) is a general acute care hospital with the following services:

- A 24-hour emergency department
- Advanced-technology operating rooms
- CT, MRI and nuclear medicine
- Cardiac catheterization capabilities
- Obstetrics and neonatal special care
- An on-campus medical office building

SMRC has 126-beds and all rooms are private and provide a wide range of in- and outpatient services, including 24-hour emergency care, obstetrics, diagnostic imaging, intensive care, cardiac catheterization and psychiatric care. The hospital operates as a community hospital; parent company is HCA.
