Mission of Mercy (MOM) projects offer free dental services in various locations throughout Virginia. Services may include cleanings, fillings, extractions, and in a very limited number of cases, dentures. All services are not available at every project.

Comprehensive, non-emergency dental care through our [Donated Dental Services](#) program for adults who are low-income AND are either 62 years or older or who have a permanent disability. Call (804) 264-9010 for information about this program.

[A dental care finder](#) is available on the website to help find other dental resources in your area. [Visit the website](#) for information about the location and times of upcoming MOM dental care projects.

[Volunteer information](#) is also available on the website for those who wish to serve during a MOM project.
