The Radford City Police Department provides information about crime prevention, community education and community participation. These are the cornerstone of the outreach provided by the Community Services function of the Administrative Unit. Community Service Programs are established to promote education, crime prevention, citizen safety and community partnership with law enforcement and citizens within these arenas.

Community Services consists of a variety of programs developed for our citizens, adult and youth alike, including; Neighborhood Watch, Business Watch, Citizen Trails and Parks Watch, and Halloween Safety Watches, TRIAD, Radford Youth and Adult Partnership (RYAP) and the Citizen's Police Academy to name a few.

Presentations are available through Community Services and are presented by personnel with specialized training in a variety of areas. Please visit our website for more information.
