Williamsburg Police Department participates in TRIAD by implementing activities designed to reduce the level of criminal victimization as it impacts senior persons. TRIAD is a partnership among law enforcement and senior service agencies in the county and senior citizens.

Meetings are held at the Williamsburg Police Department. The meeting is open to the public and all are welcome to attend.

The community can include law enforcement, private and public organizations, and citizens who help identify senior concerns in their areas. Collectively, they brainstorm solutions to address these concerns. Problems and solutions are then

presented to the TRIAD board for support and implementation.
