Southside Virginia Family YMCA offers programs for older active adults. The Silver Sneakers Fitness Program is designed for active adults who are 65 years of age and older. [Visit Silver Sneakers.com](http://SilverSneakers.com) to see if your Medicare plan carries this benefit. Active Older Adult lunches is another program that is offered. These are monthly lunches that are catered by Johnny Ellington for our older adult members. Enjoy socialization at the Y, in addition to a workout.

Financial scholarships may be available for membership.
