Volunteer Prince William (VPW) offers a Disaster Services Program by managing volunteers and donations particularly in the recovery phase of a locally declared disaster. The program also provides emergency preparedness training - including how to be informed and to create disaster plans - to residents, community agencies.

Are you prepared if there is an emergency, natural or man-made disaster? Do you know what to do? Does your family have an emergency plan? How will you communicate with your family? Will you shelter-in-place at home or will you have to move to a safe area? What will you do with your pet? Volunteer Prince William can help you and your family prepare in the event of an emergency. Follow these simple steps: Be Informed; Have a Plan and Make a Kit. If you would like additional information on how to prepare, contact Volunteer Prince William. It has activities designed for individuals, families and senior groups to raise awareness and be ready for any type of disaster. Contact 571-292-5303 to schedule a program for your group.
