The Active Wellness Program at St. Alban's is held weekdays from 10 AM to 2 PM on the grounds of the National Cathedral. Over the years, our free program has become a classroom for lifelong learning, a refuge for meditation and exercise, a parlor for engaging conversation and discussions, and a place for dear friendships to grow. It attracts older adults from the neighborhood and beyond who are drawn to the nutritious daily lunch and diverse activities — such as a farmer's market with free produce, exercise classes, and field trips.

Please call for more information. You can also visit [Active Wellness Program at St. Alban's](#) for more information and to see the activities.
