Options for Senior America offers home companions and skilled nursing care, including respite care. This service allows patients to get the assistance they need without leaving home. A skilled nursing assistant or companion moves in your home and assists you with personal care, meal preparation, household chores, and supportive functions or you can have a "live-out" for a number of hours. All aides licensed, bonded and insured. Both live in or out options available. All Aides go through an intense interview process, criminal background check, and reference check.
