Hampton Fire & Rescue personnel are happy to assist you by scheduling a fire safety education program at your Hampton location or having your group take a tour of any of our stations. We do not, however, attend birthday parties or allow them to be held at our fire stations. Our calendars fill quickly so please have flexible dates and submit your requests at least 30 days in advance. Please note that we must be available to respond to emergencies, which means that our stay may be shorter than what was requested.

Please let us know if you are interested in fire extinguisher training, workplace safety, home safety education or other.
