Homunity Health Services offers personal care in your home, assisted living, nursing home or in the hospital.

Professionals provide services to assist with bathing, dressing, grooming, eating, toileting (being able to get on and off the toilet and perform personal hygiene functions). Transferring (being able to get in and out of bed or a chair without assistance). Maintaining continence (being able to control bladder and bowel functions). HomUnity Health Services caregivers are available to assist 24 hours a day or on an needed basis.

Live – in Caregivers, Hourly or Overnight Service is available for individuals who need higher care and round the clock care, assisting clients with Alzheimer’s and Dementia. Our caregivers would provide personal care, assistance with the activities of daily living, companionship, light housekeeping, prepare meals, shopping, playing cards, going on walks or simply a warm smile, medication reminders and provide transportation assistance with recreational activities or medical appointments.
