Rappahannock Westminster Canterbury sponsors a Parkinson's Support Group. The group meets monthly. People living with Parkinson's and their care partners can discuss concerns, needs, and tips for living more productively and enjoying social time. The group features speakers who are involved and know about Parkinson's research and treatment.

A Fit to Move exercise class, geared to assist those with Parkinson's in maintaining muscle tone and coordination, meets three times a week.

The Parkinson's Support Group meets on the second Wednesday of each month from 1 - 2:30 pm. All meetings are held at Rappahannock Westminster-Canterbury, 132 Lancaster Drive, Irvington, VA 22480. Please call to confirm the meetings are in person.
