Riverside's Neurology Specialists help with conditions including Amyotrophic Lateral Sclerosis (ALS). Riverside partnered with the ALS Association to create the first ALS Clinic in the Hampton Roads area. This clinic is held monthly at the Riverside Neurology Specialists office to bring a one-stop multidisciplinary evaluation to individuals with ALS. Along with the doctors researching and evaluating ALS the clinic is held the second Tuesday of each month from 12:00 pm – 4:00 pm. For more

information or to schedule an initial evaluation, call 757-534-5100.
