The Virginia Assisted Living Association (VALA) is a non-profit membership organization dedicated to providing advocacy, communication, education, and resources for Virginia's assisted living industry. VALA's members represent the entire spectrum of the industry: providers of both non-profit and for-profit, and large and small assisted living communities. VALA also welcomes Industry Partners - companies, government agencies, and individuals that provide a service to, or have an interest in, assisted living in Virginia.

VALA advocates for quality senior living that is affordable and welcoming of individuals with a variety of interests, abilities, and personal preferences. In knowing

“Seniors Vote too!”, VALA encourages state leaders to invest in choices by supporting assisted living in Virginia.
