Pulaski Area Transit (PAT) provides buses as public transportation to all residents of the town of Pulaski and parts of Pulaski County. The Town of Pulaski transit service has two fixed routes. Each bus arrives approximately every 60 minutes at each bus stop. PAT runs a deviated fixed-route service with a Demand Response system that requires 24-hour notice. Expansion of service includes the New River Express, a route to Christiansburg.

Fares are 75 cents for each one-way trip with children aged three and younger riding for free. Demand response service fares are one dollar and 50 cents for each one-way trip. Monthly bus passes are available for \$20. ADA Complementary Paratransit is available for those that qualify. Those that qualify for ADA services may ride the fixed route free of charge. Car seats must be provided by the adult riding with a child if one is needed. Seat belts are to be worn by passengers at all times. Wheelchairs and scooters must meet PAT guidelines.

Call the office for more information.
