The Blackstone Area Bus System (BABS) began operations in 2003 within the town of Blackstone. Since then, BABS has overseen the creation or annexation of six (6) public transportation routes resulting in the management of seven (7) routes total. These routes now service the towns of Crewe, Burkeville, Kenbridge, Victoria, Alberta, and McKenney as well as the Counties of Nottoway, Lunenburg, Brunswick, Prince Edward, Amelia, Buckingham, Cumberland, and Dinwiddie. There are also several route expansions and the creation of a new route being planned or underway.

As BABS continues to grow and expand, we are committed to ensuring the goal and mission of providing safe, affordable, and reliable public transportation to our existing services and all future services across Southside Virginia. Our fleet vehicles are equipped with wheelchair ramps and we will do what we can to accommodate people with disabilities.
