Event Description

This group is currently meeting online every Tuesday from 6:45-8:00pm.

Have you ever thought that the habits, actions, or escape patterns of someone you care about are serious affecting your life? **Families Anonymous** is a twelve-step program for those who are concerned about someone very near to them due to drugs, alcohol, or related behavioral problems.

When you come into an FA meeting you are no longer alone, but among friends who understand what you are experiencing.

Free and open to all.
