Event Description

Understanding and responding to Dementia-Related Behaviors will be on Tuesday, February 27, 2024 at Noon. Gain valuable insights into understanding behaviors linked with dementia. Explore typical triggers for these behaviors and discover effective strategies to assess the individual's requirements. Learn how to intervene in a manner that promotes their well-being and quality of life. Equip yourself with practical knowledge that empowers you to provide better care and support for those affected by dementia. Join us in this educational session and make a positive difference in the lives of others. Lunch provided. Please register. Email lmartin@thelandmarkctr.com or call 276.694.3050 In the event of inclement weather causing cancellation, the program will be held the following month. Alzheimer's Association, Central and Western Virginia Chapter in partnership with The Landmark Center.
