

Estate Planning

Programs that offer a review of options and assistance to people who want to provide for the administration and/or protection of their assets during their lifetime, develop a plan for managing their finances in the event of a disabling illness, prepare binding instructions for the health care they wish to receive or avoid should they become terminally ill, make arrangements for the disposition of their assets with a minimum amount of taxation upon their death and provide for the administration of their estate should their spouse or other beneficiaries be incapable of managing their affairs.
