

Public Transportation

Public local and regional transportation services include buses, rail, shuttles, and trolleys. Public transit could follow a fixed route with designated stops, a deviated fixed route, or be provided on demand. All public transit services include accessible transportation options for people with disabilities.

Why Mobility Managers Can Be Transportation Game Changers

Mobility managers are transportation coordinators for older adults, people with disabilities, veterans, and other members of the riding public. They can help people “find a ride” by connecting them to transportation options in their communities.
